- D. Consider a request from Home Made Easy to waive the Building Permit Fee.

Director Cowan reported that the City received a request from Home Ownership Made Easy, Inc. to waive the building permit fee for a new home they are planning on constructing for a needy family.

Chuck McFate, Treasurer of Home Ownership Made Easy, Inc. explained that his group works with people who do not qualify for traditional home loans. He also explained that at the time of closing they do a double mortgage. The first mortgage is only for the cost of the materials. The second mortgage is for the difference between the appraised value of the home and the cost of materials. This is to ensure that the homeowners do not sell the property for a huge profit. Over time the second mortgage is forgiven.

Commissioner Hogsett asked how long this organization had been in existence.

Mr. McFate replied that Home Ownership Made Easy has been in existence for about one year and noted that they were previously Habitat for Humanity for Montgomery County but, they were disaffiliated because they did not rebuild a home every year.

Commissioner Hogsett asked if this program is limited to first time homeowners.

Mr. McFate replied that it is not.

Shawn Turner noted that this grant is for one million dollars with the remainder of the costs being furnished by the City. He also noted that the City has applied for an access management grant that would adjoin the property on the west end and they should hear back from KDOT later this month on whether that was approved or not.

Minutes of the Independence City Commission's November 14, 2019 Meeting

Commissioner Caflisch asked if the second grant is denied would the City have to apply for another grant or use City funds to finish the half block not addressed in the first grant.

Mr. Turner replied that was correct.

Commissioner Caflisch asked if City funds are used would the City still have to put in a turn lane.

Mr. Turner replied that the City is under no obligations to do geometric improvements.

Mayor Ysusi asked if Mr. Turner had any updates on other projects in the City.

Mr. Turner reviewed the status of different projects in process throughout the City.

Commissioner Caflisch asked if KDOT has a grant for walkway projects for West Main Street.

E. November 6, 2019 City/County Meeting Update.

Director Lies reviewed with the Commission how delinquent property taxes are handled by the county.

City Attorney Chubb noted that the way the county handles the delinquent taxes is mandated by State Statute and there is not much the City or County can do about it.

Chief Harrison reported that he had provided the study report for 911 Consolidation and it was suggested that the head of all legislative bodies in the County get together and discuss the options.

Director Cowan reported on 911 mobile mapping and vehicle tracking and it is something that he would like to see in all the City's emergency vehicles. This would ensure that responders get the right address and how to get there quickly and efficiently and monitors the vehicle's speed and if the vehicle needs servicing.

F. December 4, 2019 1916 City Hall Site Visit.

Assistant City Manager Passauer noted that since only one Commissioner is planning to attend this no longer qualifies as a Special Meeting.

Susan Scovel requested that the Memorial Hall auditorium be renamed in honor of Jim Halsey. She also read a letter of support from an unidentified veteran and provided a letter of support from the local VFW Commander which is attached to these minutes.

Minutes of the Independence City Commission's November 20, 2019 Special Meeting

Mayor Ysusi invited Glenna Lawrence to speak about her concerns.

Glenna Lawrence read a letter from Kathy Shephard saying that it would be disrespectful to rename any room in the building which was built to honor the veterans who died for our freedom. Mrs. Lawrence asked that this item be tabled until a committee could be formed to look at the matter.

Mayor Ysusi noted that he understood both sides of this issue and noted that the VFW and American Legion did not have any opposition to renaming the auditorium.

Susan Scovel noted the reason for the urgency is due to Mr. Halsey's age and the upcoming concert with the Oak Ridge Boys.

Commissioner Caflisch believes that the original integrity of the building should be preserved and that renaming a specific area is a little more appropriate than renaming it a Performing Arts Center.

Mayor Ysusi does not think that renaming the auditorium will disrespect the veterans.

Commissioner Caflisch stated that he would be supportive in naming the auditorium after Jim Halsey.

Motion:

On the motion of Mayor Ysusi, seconded by Commissioner Caflisch the Commission approved the request to rename the Memorial Hall Auditorium to the Jim Halsey Auditorium.

Commissioner Cafilisch noted that the first task for the Committee would be to get organized and elect a Chair, Vice Chair and a Secretary and then establish a meeting date and time that meets everyone's schedule and then develop a strategic plan.

Commissioner Hogsett thanked the members for volunteering and asked them to aim high.

Assistant City Manager Passauer informed the Board members that the City Attorney would be available at their first meeting to go over the Kansas Open Meetings Act and the City's ethics policy that relates to Boards and other things the Board would need to know.

This item was removed from the consent agenda and moved to items for Commission action

Commissioner Caflisch asked about funding sources for the local match.

Director Lies stated that KDOT funds could be applied for to supplement the City match portion of the project. She also felt that the City's best bet for KDOT assistance would be the big runway project and that there is leftover monies from over airport projects that could fund the smaller projects.

Commissioner Caflisch noted that as the special use sales tax comes to an end the City should consider including the airport in another special use sales tax ballot question to be approved by the voters.

Director Lies noted that the Economic Development/Transportation Fund has been the primary funding source for these types of projects but, it is always an option to use sales tax funding.

Commissioner Hogsett asked if the odds were favorable in getting the Federal government to pay for these improvements.

Mike Conway stated that the chances are very good especially on the big project.

Commissioner Hogsett asked if it was harder to get funding for the terminal.

Minutes of the Independence City Commission's December 12, 2019 Meeting

Mr. Conway said it depends on how much funding the City is willing to put into it.

Commissioner Caflisch asked if the City funds the smaller projects and then receives funding from KDOT could the City's funding be used for the next project.

Director Lies stated that it wouldn't be in the City's best interest to ask for funding for the smaller projects. The main goal is to get funding for the big runway project and showing the State that the City is willing to fund the smaller projects would help in getting the larger project funded.

Motion:

On the motion of Mayor Ysusi, seconded by Commissioner Caflisch the Commission authorized City staff to sign the proposed CIP and submit it to the FAA.

Commissioner Hogsett asked how often this is done.

Chief Harrison reported that Director Cowan usually does this drill about twice a year. He noted that many entities around the Community are interested in this and want the drills conducted at their facility.

- A. Consider a request to rezone tracts of land from R-3, low density multifamily dwelling district to C-2, commercial services district at 611 W. Main Street, 615 W. Main Street and 101 S. 12th Street.

Minutes of the Independence City Commission's December 12, 2019 Meeting

Assistant City Manager Passauer gave a review of the activities at the Planning Commission meeting. City staff recommends that the alley be paved with concrete.

Commissioner Cafilisch asked if the development plan was approved by KDOT. Assistant City Manager Passauer replied that it was approved.

Robert Deal with Budding, Webb and Company, the architect of record and representing the developer stated that they would like to look at heavy asphalt instead of concrete for the alley.

Commissioner Cafilisch noted that there should be concrete aprons at each end of the alley and his staff is agreeable he would be in favor of using heavy asphalt for the alley.

Mr. Deal noted that they would not be using the alley to make any deliveries and only the trash trucks would be using the alley.

Commissioner Cafilisch stated that they should check with KDOT for any special requirements they may have for the alley.

Motion:

On the motion of Mayor Ysusi, seconded by Commissioner Cafilisch the Commission accepted the recommendation of the Planning Commission and adopt an ordinance rezoning tracts of land from R-3, low density multifamily dwelling district to C-2, commercial services district at 611 W. VI. DISCUSSION

A. 1916 City Hall and Public Safety Facilities:

1. Discuss Change Order #3 for \$20,610.70 for the 1916 City Hall Phase I project regarding additional needed roof repairs.

Ian Pitts stated the change order was due to the removal of the existing roof exposed a lot of brick spalling and the change order will fix this problem.

Commissioner Caflisch asked if these fixes would stop any future deterioration of the plywood.

Mr. Pitts replied that it would.

Mayor Ysusi asked how long the warranty is for the new roof.

Mr. Pitts replied that he would have to check on that.

2. Discuss a proposal for an amendment for additional construction services from TreanorHL regarding the 1916 City Hall Phase I project.

Vance Kelly presented a proposal to extend their original contract another eight months due to the longer timeframe of construction required by the contractor.

Commissioner Caflisch expressed his desire to not have a fixed fee but, have a cost per visit in case the contractor finishes ahead of schedule.

Mr. Kelly replied that he doesn't mind charging on a per visit basis but, he is concerned about the additional time above and beyond a trip charge and asked if the Commission would consider that as well.

Commissioner Caflisch replied that time to communicate regarding those conversations are allowable if they are within reason.

Mr. Kelly replied that he would revise the contract with the noted changes and send it to Assistant City Manager Passauer as a draft.

3. Discuss a proposal for additional conceptual designs from TreanorHL regarding the 1916 City Hall and Public Safety Facilities.

Commissioner Caflisch asked about the four different proposals.

Mr. Pitts replied that the four different options include looking at all City departments within the 1916 building, a second option with all City departments within the 1916 building with an addition to handle space requirements for police department, a third option for Fire/EMS as an addition

Minutes of the Independence City Commission's December 12, 2019 Meeting

to the temporary apparatus bay, and a fourth option for Fire/EMS and police to be located at the temporary apparatus bay.

Commissioner Hogsett asked what the difference is between design and concept design.

Mr. Pitts stated that this is a preliminary design that provides detailing to the point to be able to get to space savings that were discussed previously in August and to look at how spaces can be shared between departments. He noted that these plans are a little more developed than the program plans that were previously issued.

Commissioner Caflisch wondered why the square footage kept increasing.

Mr. Kelly replied that the early programming numbers were questioned, and they met with City staff to confirm their current needs.

Commissioner Caflisch noted that option two and three would be the more relevant options to consider

Mr. Kelly confirmed that they will revise their proposal to work on those two options.

VII. REPORTS

A. 223 W. Main Street Update.

Director Cowan reported that he had received all the submittals from Morrison Builders and the architect.

Mayor Ysusi asked what the next step is.

Mayor Ysusi asked if they had provided all the information that was requested.

Director Cowan reported that he had provided all the information requested except for the written responses for Poole Fire Protection and those are included in the code footprint.

REQUEST FOR COMMISSION ACTION
CITY OF INDEPENDENCE
January 9, 2020

Department Administration

Director Approval *Kelly Passauer*

AGENDA ITEM Reorganization of the Commission.

SUMMARY RECOMMENDATION Designate Independence Daily Reporter as the Official City Newspaper, designate Community National Bank as the Official City Depository, and adopt the 2020 City Commission Schedule.

BACKGROUND Each year the Commission reorganizes. In years after an election for City Commissioners, the Oath of Office is also included in reorganization. Regarding the election of Mayor or Vice Mayor, traditionally the Commissioner whose term was not included in the election serves as Mayor. However, the Commission may choose anyone they wish, and they do not have to follow this tradition.

Each year the Official City Newspaper and Official City Depository are named. Staff is recommending that the Independence Daily Reporter and the Community National Bank continue to serve in these two roles, respectfully.

Staff also recommends that the proposed 2020 City Commission schedule be adopted which generally consists of the 2nd and 4th Thursdays at 5:30 PM, and the 3rd Wednesday at 9 AM for worksessions, with the exceptions noted in green. In addition, the Commission may wish to consider deleting the 3rd Wednesday meetings on October 21, 2020 and November 18, 2020 to avoid back to back meetings, if not, it is suggested to adopt the proposed schedule as presented.

Ordinance # P – 1826

REQUEST FOR COMMISSION ACTION
CITY OF INDEPENDENCE
January 9, 2020

Department Finance

Director Approval Lacey Lies

AGENDA ITEM Consider authorizing the abatement of nuisance taxes for 324 S. 17th.

SUMMARY RECOMMENDATION Director of Finance recommends the abatement of nuisance assessments for the property as follows:

S/2 W/2 Lot 76, Glenwood Addition – 324 S. 17th - \$400.00

BACKGROUND The City assessed nuisance taxes on these vacant lots for 2014 mowing charges on March 10th, 2015. This lot was deeded to the Community Foundation for Independence (CFFI) in 2016 and an exempt status was obtained for the property for tax years 2016 and beyond. The property is used for a charitable purpose as a community orchard. CFFI is asking the Commission to release the lien and remove the mowing violation fee of \$400.00, since they were not the owner of the property at the time and has since kept up on the property's maintenance.

BUDGET IMPACT The abatement of the nuisance taxes would have negligible impact on the City budget.

SUGGESTED MOTION I move to abate the nuisance taxes on 324 S. 17th.

SUPPORTING DOCUMENTS

1. Release of Lien
2. Request

RELEASE OF LIEN FOR NUISANCE ABATEMENT

COMES NOW, the City of Independence, Kansas, a municipal Corporation, and hereby releases its lien for recovery of costs relating to nuisance abatement as assessed pursuant to City Ordinance No. 4193 as it pertains to the following property.

S/2 W/2 Lot 76, Glenwood Addition, City of Independence,

Kelly:

I'm on the Community Foundation for Independence (CFFI) Board and was made aware of a tax issue on property (vacant lot – South 17th Street) that was deeded to CFFI for use as a community orchard. I assisted CFFI obtain tax exempt status on the property for 2016 and all future years. CFFI was not made aware of any delinquent taxes owed on the property prior to 2016 until we received the attached letter indicated that a tax sale would occur if 2015 taxes are not paid.

I called the county treasurer and they advised that \$537.39 of the \$606.30 owed was for city of Independence nuisance fees probably for mowing/cleaning up the lot prior to CFFI taking ownership. I have talked to the CFFI Board and I believe we would like to pay the delinquent taxes owed, but was hoping the City would consider waiving the nuisance fees, as they occurred prior to CFFI's ownership.

The property is used for a charitable purpose as a community orchard with free access to anyone. CFFI would greatly appreciate any consideration the City could give to potentially waiving or forgiving these nuisance fees.

Please let me know if there's any additional information I can provide.

Dear Taxpayer:

Kansas Statutes require that all real estate, upon which there are delinquent taxes unpaid for a period of three (3) years in the office of the County Treasurer, shall be sold by the sheriff at a public sale to the highest bidder.

In checking the tax rolls, we find delinquent taxes for the years of 2015 on property in your name. Unless the taxes are paid, this property will be advertised and sold by the Montgomery County Sheriff.

If you are unable to pay all of the delinquent taxes at this time, you will need to pay at least the 2014 and 2015 taxes plus interest no later than December 31, 2019, to keep your property from being included in the tax sale. Payment **MUST** be in the form of cash, cashiers check or money order. The tax sale properties must be abstracted and this process will begin on January 2, 2020. An abstract fee will be charged as well as the delinquent taxes and interest. After the properties have been abstracted the tax sale will be turned over to the County Counselor who will file a petition with the court. After the petition has been filed all of the delinquent taxes, interest, court costs and abstract fees must be paid to keep your property from being sold.

Please contact our office at 620-330-1100 for the amount due. Please return this letter with your payment to insure proper credit is given to the correct property.

Sincerely,

Nancy Clubine

Montgomery County Treasurer

TO AVOID YOUR PROPERTY BEING INCLUDED IN THE TAX SALE ALL 2014 AND 2015 TAXES MUST BE PAID IN FULL BY DECEMBER 31, 2019.

AGENDA ITEM Rescind Condemnation 1701 N. 10th.

SUMMARY RECOMMENDATION City Staff is recommending the City Commission rescind the condemnation of 1701 N. 10th.

BACKGROUND On August 4, 2018 this an apartment building (#4) at 1701 N. 10th Street was involved in a fire that destroyed four apartment units and damaged two adjoining apartments. On August 23, 2018 the City Commission adopted a resolution setting a public hearing for October 24, 2018 to consider condemnation of this property as dangerous and unsafe. Since that time work has been progressing, therefore, the public hearing has been adjourned several times.

Belmont Management Co, Inc. has now completed repairs to the property and the City of Independence issued a certificate of occupancy on December 9, 2019. Belmont Management is requesting the City of Independence release funds being held as part of the condemnation process. Although a resolution condemning this property was not adopted, there was a resolution filed with the Register of Deeds when the property was originally scheduled for a public hearing. Therefore, in order to ensure there are no documents clouding the title it is recommended to adopt a resolution rescinding condemnation action which will also be filed with the Register of Deeds.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to adopt a resolution rescinding a previous resolution which set a hearing date to consider condemnation of 1701 N. 10th Street; and authorize the release of funds being held for possible demolition of the property.

SUPPORTING DOCUMENTS

1. Letter from Belmont
2. Occupancy Certificate
3. Resolution rescinding a previous resolution which set a hearing date to consider condemnation of 1701 N. 10th Street.

Re: Independence City Hall – Phase 1 – Change Order No. 3

Dear Ms. Passauer,

As we had discussed at the monthly OAC meeting on 12/9/2019, the roofer discovered unforeseen conditions at the roof parapets during the tear-off of the existing roof. The existing historic brick on the back face of the parapets was found to have spalling faces, due to moisture penetration through the parapet walls. Also present were patches of thick tar/asphalt substances that the removal of would further damage the brick. While the parapets are still sound, the spalling brick and tar do not provide a stable surface for adhering the new roofing and affect the warrantability of the roof installation.

Therefore, the roofer has proposed utilizing ¾" plywood anchored to the back side of the parapets to provide a stable surface for adhering the roofing. A 2x4 run horizontally at the base will keep the plywood angled away from the wall so that no pockets in the edges of the roofing form. This detail is per the roofing manufacturer's recommendations and will provide a warrantable final product.

The total Change Order No. 3 amount for this work is \$20,610.70. See Change Order No. 3 for the contractor's breakout of the costs associated with the additional work.

The two photos below show the condition that was uncovered during demo at the central roof and at the east roof.

TreanorHL recommends approval of this change order.

CITY OF INDEPENDENCE SEWER COST SHARE PROGRAM

SECTION 1. GENERAL PROVISIONS

1.1 Purpose

The purpose of the program is to help property owners offset the cost of replacing sewer service lines and removing sources of inflow to the sewer system.

1.2 Eligibility

All property owners meeting the following criteria will be eligible to participate in the Cost Share Program for qualified repairs or replacements upon available funding.

1. Property must be located within the City of Independence.
2. Property must be occupied by either the owner or a tenant.
3. Property must be currently served by City utility services and the applicant's account as well as the account associated with the property must be current.
4. The structure shall not be deemed to be dangerous or unsafe or engaged in the City's Condemnation process.

1.3 Self-imposed Constraints

Failure of a property owner to participate in the Cost Share Program in no way relieves the property owner to make required repairs. The failure to participate in the Cost Share Program may be due to lack of interest by the property owner or lack of available City funds.

SECTION 2. PROGRAM REQUIREMENTS

2.1 Application

The property owner must fill out the Sewer Cost Share Program Application and return it to City Hall with all requested documentation for review by the City Clerk's office prior to work commencing.

2.2 Notice of Eligibility

The City Clerk's office will notify the applicant of the approved funding.

2.3 Contracting a Licensed Plumber

The applicant must contract with a plumber licensed in the City of Independence for the replacement of a service line. For all other work, the applicant may contract the work with a licensed plumber or make the repairs themselves.

2.4 Permits

A plumbing permit or inspection report sheet will be issued by the City Building Department. Any fees for issuance of such permit will be waived.

2.5 Inspections

During installation of any equipment or replacement of lines, the City Building Inspector must complete an inspection. Multiple inspections may be required. The City Building Inspector must sign off on a completed inspection, attesting that satisfactory work was performed. If such inspection is not completed, the City will not reimburse the cost until corrective action is taken.

2.6 Request for Reimbursement

After the acceptance of the work, the applicant must submit a signed statement and receipts for the labor and material cost of the qualified improvements. A check will then be issued in the amount of the City's share naming the property owner as payee if proof of payment is provided. If no proof of payment is provided, the City will issue a check to the licensed plumber. Requests for reimbursement must be submitted within 12 months of the application approval date.

SECTION 3. PAYMENT LIMITS

3.1 General

Property owners qualifying as low-income will be eligible for 100% reimbursement of the applicant's cash expenditure for labor and materials related to qualified improvements, up to \$4,000 in a 12-month period. Property owners that do not meet the low-income requirements will be eligible for 50% reimbursement of the applicant's cash expenditure for labor and materials related to qualified improvements, up to \$2,000 in 12-month period.

3.2 Qualified Low-Income Requirements
