AGENDA ITEM Public hearings to consider submitting an application to the Kansas Department of Commerce for Small Cities Community Development Block Grant funds under the CDBG-CV category. The specific project application to be discussed is for Economic Development and Meal Programs within the city limits of Independence. The maximum amount of the grant request will be for \$400,000 consisting of \$300,000 for business assistance and \$100,000 for meal programs.

SUMMARY RECOMMENDATIONS City staff recommends approving the application.

BACKGROUND Kansas counties and cities are eligible to apply for CDBG-CV grants through the Department of Commerce and will then work with local businesses and organizations to disburse funds. CDBG-CV Economic Development grants provide communities with funding to help local businesses retain jobs for low-to-moderate income people. To be eligible to receive a CDBG-CV Economic Development grant, the recipient business must be a for-profit business and retaining jobs for low to moderate-income people. 51% or more of the full-time equivalent (FTE) jobs retained must be for persons from low to moderate-income households as defined by HUD. CDBG-CV Economic Development grants can be used to pay for working capital. CDBG-CV Meal Program grants are intended to provide Kansas cities and counties with funds to supplement various programs that provide access to nutritious foods during the COVID-19 crisis. To be eligible to receive a CDBG-CV Meal Program grant, the applicant must be able to demonstrate that at least 51% of the community meets the low to moderate-income household criteria as defined by HUD. CDBG-CV Meal Program grant funds can be directed toward organizations such as Meals on Wheels, for the replenishment of local food banks or to support organizations that provide meal programs for children impacted by the loss of school meal programs.

BUDGET IMPACT The budget impact would consist of the cost of demolition if the owners do not diligently pursue repair or removal.

SUGGESTED MOTION I move that we adopt a Resolution certifying legal authority and authorization to apply for the CDBG-CV grant from the Kansas Department of Commerce and for the mayor to sign all relating forms and applications and for City Staff to submit such documentation to the State.

AGENDA ITEM Consider authorizing electric to be installed at the parking lot located at the southeast corner of 8th and Chestnut for the Farmers Market and other community activities.

SUMMARY RECOMMENDATION City Staff is recommending the installation of electrical service at the 8th and Chestnut parking lot for the Farmers Market and other community activities.

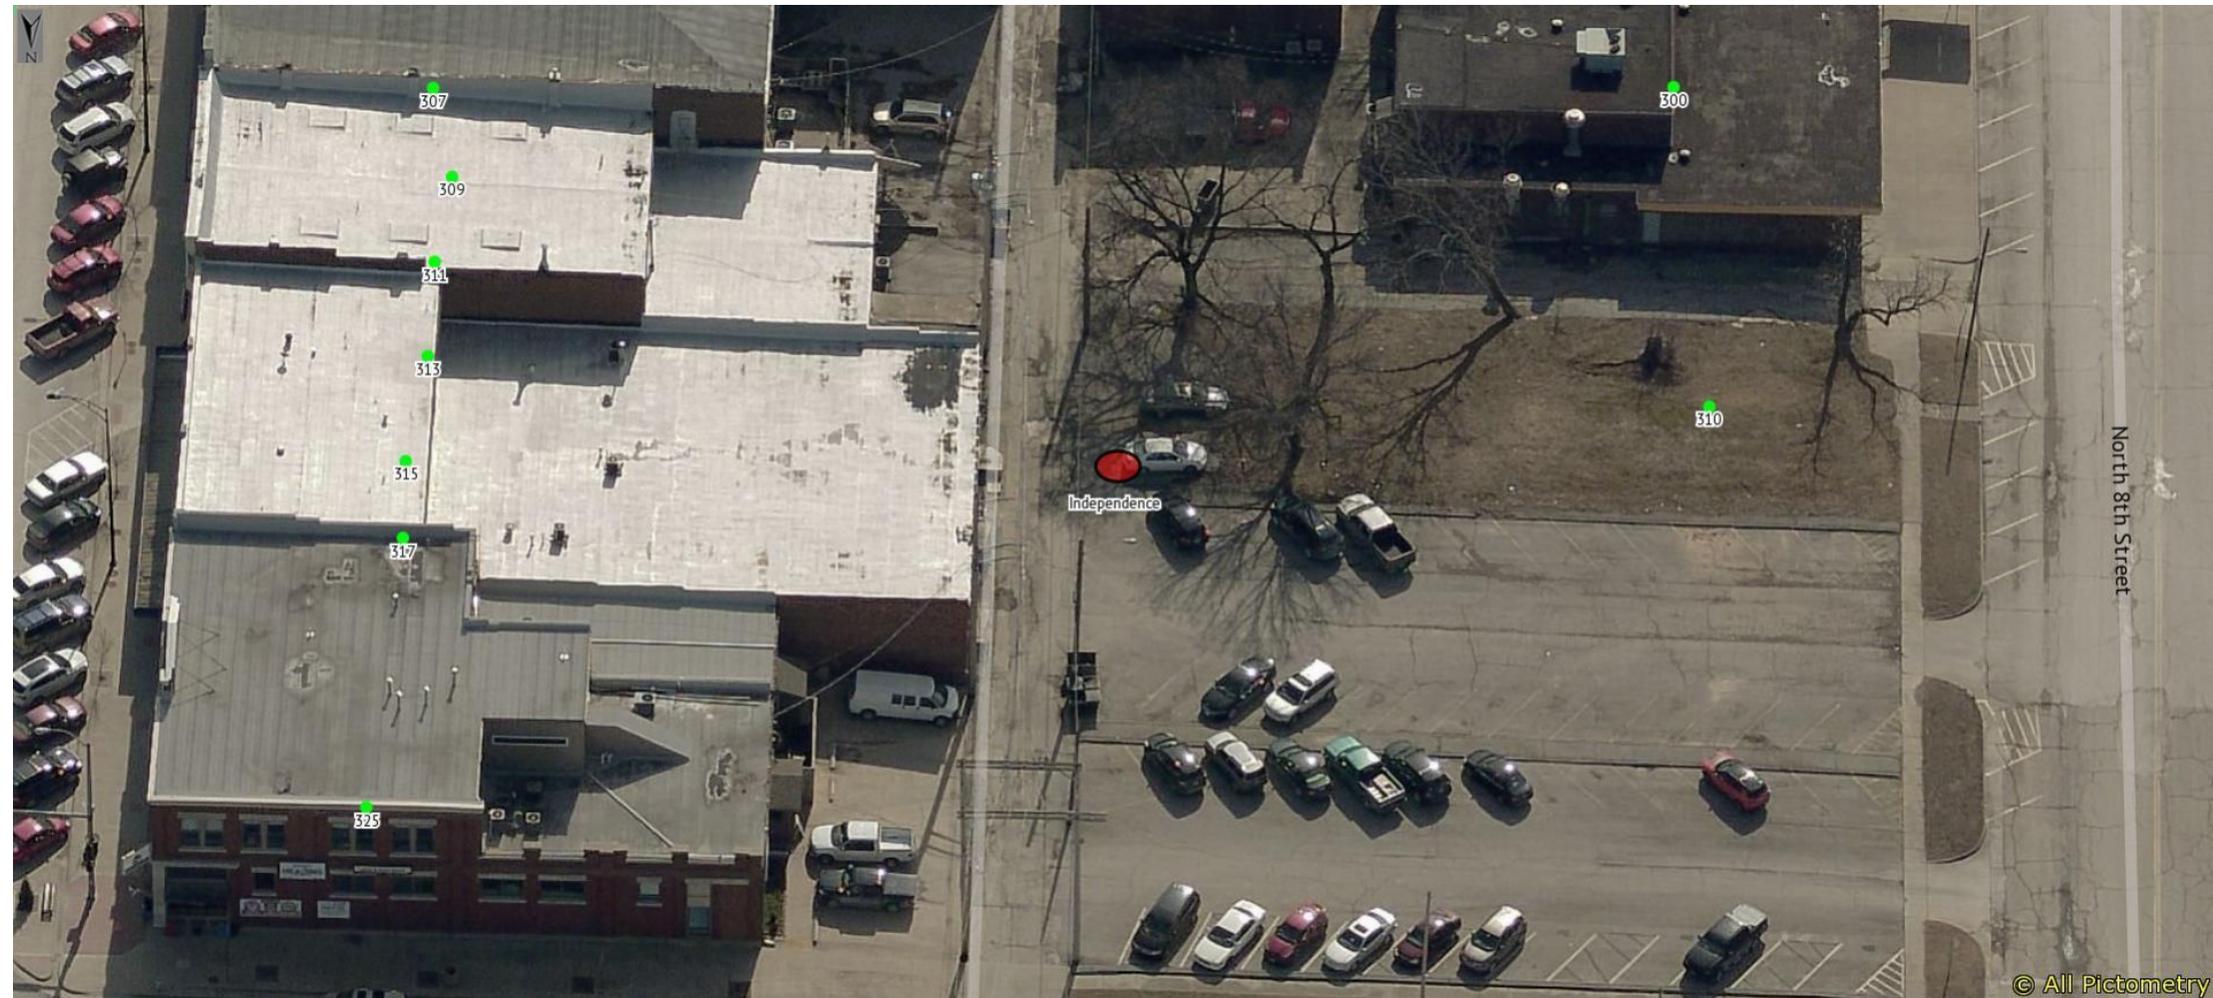

BACKGROUND City of Independence recently approved moving the Farmers Market to the parking lot and vacant City lot at 8th and Chestnut. The Farmers Market previously utilized electricity from the Independence Professional Building, and the location at 8th and Chestnut does not allow for a safe way to provide power across the alley. The Farmers Market utilizes electricity for a P.A. system and entertainment. After visiting with Evergy, they have offered to set a pole for electrical service at this location as a donation towards the Farmers Market. A local electrician is providing us a quote for the installation of a 200 amp service for this service.

BUDGET IMPACT Budget impact would be the cost of installation of the service on the pole.

SUGGESTED MOTION I move to authorize Evergy to install the pole and installation of electrical service by a City licensed electrician at 8th and Chestnut.

SUPPORTING DOCUMENTS Proposed location of pole for electric service
