## REQUEST FOR COMMISSION ACTION

### CITY OF INDEPENDENCE

August 10, 2020

Department Administration

Director Approval Kelly Passauer

**AGENDA ITEM** Consider finalizing ballot language for renewing the special use sales tax.

**SUMMARY RECOMMENDATION** Finalize ballot language.

**BACKGROUND** On July 23, 2020 the City Commission approved the draft ballot language with modifications suggested by the bond attorney. City staff has completed some additional analysis and are recommending some additional modifications as follows:

**DRAFT November 3, 2020 Language:**

Shall the City of Independence, Kansas, be authorized, pursuant to the authority of K.S.A. 12-187 et seq., to impose a special purpose one percent (1%) Citywide retailers' sales tax, the revenues to be derived therefrom to be used for the purpose of financing the costs of the following and related expenditures:

- a) 0. \_\_\_% for **continued** mill levy support;
- b) **0. \_\_\_% for debt repayment of financings including repayment of general obligation bonds of the City issued or to be issued to pay the costs of previous or future improvements including but not limited to streets, sidewalks, buildings, facilities, equipment, and required ADA;**
- c) 0. \_\_\_% for **equipment, building and facility improvements**, including but not limited to Riverside Park and Ralph Mitchell Zoo; Riverside Beach Family Aquatic Center; neighborhood parks; ballfields, and other recreational facilities; Public Safety including Police and Fire/EMS; City Hall; Library; Public Works; **required related ADA improvements;** and City government technology and communications infrastructure;
- d) 0. \_\_\_% for **street and sidewalk improvements**, including but not limited to multimodal routes to schools, healthcare, recreation, and business; drainage and stormwater management; alley improvements; required **related** ADA improvements; public parking; traffic control; and
- e) 0. \_\_\_% for **economic development initiatives**, including but not limited to incentives for business retention and recruitment; Memorial Hall improvements; initiatives for new recreational facilities; Senior Citizens Center; wayfinding signage; housing initiatives; airport improvements; healthcare facility expansions; industrial park improvements; beautification initiatives, and expanded community broadband access;

the collection of the special sales tax to commence on the expiration date of an existing 1% special Citywide retailers' sales tax approved at an election held on April 3, 2012, in the City for the purpose of financing all or a portion of the costs associated with debt repayment and mill levy support; building and facility improvements, including Riverside Park and Ralph Mitchell Zoo; improvements to streets and sidewalks; and improvements required for compliance with the requirements of the Americans with Disabilities Act of 1990 (which is expected to be October 1, 2022); with the special sales tax to expire ten (10) years after its commencement?

The bond attorney has reviewed the proposed modifications and did not raise any issues.

Regarding the percentages, the Finance Director has provided information regarding the current bonds the City is obligated for, and potential future bond issuances. It is recommended to have separate percentages for continued mill levy support and debt repayment rather than combine the two categories. Historically 25% has been transferred to the general fund, and debt repayment has been deducted from other categories, such as ADA or streets and sidewalks. By adding a separate category for debt repayment, it will more accurately reflect those projects that are bonded or other debt payments such as lease purchases, whereas the majority of funds in the other project categories will reflect expenditures that are paid for without bonding.

It should be noted that last year the City received \$287,698.41 from franchise fees that was deposited into the Economic Development/Transportation Fund. This amount may fluctuate each year based on economic factors. A review of past expenditures indicates that many street related projects, including the annual resurfacing program, have been traditionally funded from this account. The Commission will need to determine if they wish to continue funding transportation related projects from that fund. If not, then the percentages included in the ballot language for street and sidewalk projects and economic development should be adjusted accordingly.

We have also provided calculations of forecasted revenue for various percentage points based on receipts of \$1.9 million per year of sales tax.

#### **BUDGET IMPACT** N/A

**SUGGESTED MOTION** I move to approve the ballot language as modified and assign the following percentages:

- a) 0.\_\_\_\_% for continued mill levy support;
- b) 0.\_\_\_\_% for debt repayment;
- c) 0.\_\_\_\_% for equipment, building and facility improvements;
- d) 0.\_\_\_\_% for street and sidewalk improvements; and
- e) 0.\_\_\_\_% for economic development initiatives.

#### **SUPPORTING DOCUMENTS**

1. Draft resolution and related documents prepared by the bond attorney.
2. Calculations of forecasted revenue for various percentage points based on receipts of \$1.9 million per year of sales tax.
3. 2011-2020 expenditures from the Economic Development/Transportation Fund.

RESOLUTION NO. 2020-[\_\_\_\_]

**A RESOLUTION AUTHORIZING AND PROVIDING FOR THE CALLING OF A SPECIAL QUESTION ELECTION IN THE CITY OF INDEPENDENCE, KANSAS, FOR THE PURPOSE OF SUBMITTING TO THE ELECTORS OF THE CITY THE QUESTION OF IMPOSING A ONE PERCENT (1%) CITY-WIDE RETAILERS' SALES TAX; AND PROVIDING FOR THE GIVING OF NOTICE OF SAID ELECTION.**

---

**WHEREAS**, K.S.A. 12-187 *et seq.*, as amended (the “Act”), authorizes the governing body (the “Governing Body”) of the City of Independence, Kansas (the “City”) to submit to the electors of the City the question of imposing City-wide retailers' sales taxes, which may be in an amount not to exceed two-percent (2%) for general purposes or in an additional amount not to exceed one percent (1%) for special purposes, provided sales taxes for special purposes shall expire not later than ten (10) years from the initial date of collection thereof; and

**WHEREAS**, pursuant to the Act, the electors of the City have heretofore approved propositions to authorize the levy of City-wide retailers' sales taxes described as follows:

- (a) one-half percent (0.50%) general purpose sales tax, authorized in 1980;
- (b) one-half percent (0.50%) general purpose sales tax, authorized in 1985;
- (c) one percent (1%) general purpose sales tax to assist Unified School District No. 446, Montgomery County, Kansas (Independence) in the repayment of a portion of the principal of and interest on general obligation bonds to be issued by the district for educational facilities and to provide for the payment of certain City infrastructure improvements to facilitate the use of such educational facilities, with the collection of: (1) one-half percent (0.50%) of the sales tax commencing on April 1, 2011, and expiring on April 1, 2031; and (2) the remaining one-half percent (0.50%) of the sales tax commencing on October 1, 2012, and expiring on October 1, 2032; and
- (d) one percent (1%) special purpose sales tax (the “ADA and Infrastructure Sales Tax”) for the purpose of financing the costs of the following: (a) 0.25% for debt repayment and mill levy support; (b) 0.25% for building and facility improvements, including Riverside Park and Ralph Mitchell Zoo; (c) 0.25% for improvements to streets and sidewalks; and (d) 0.25% for improvements required for compliance with the requirements of the Americans with Disabilities Act of 1990, with the collection of the ADA and Infrastructure Sales Tax commencing on October 1, 2012, and expiring on October 1, 2022; and

**WHEREAS**, the Governing Body deems it advisable that additional funds, other than from ad valorem property taxation, be derived from a City-wide sales tax for the purpose of financing the costs of the following and related expenditures: (a) mill levy support and debt repayment; (b) equipment, building and facility improvements; (c) street and sidewalk improvements; and (d) economic development initiatives; and

**WHEREAS**, the Governing Body deems it advisable that funds to finance such purposes be derived by the imposition of a one percent (1%) City-wide retailers' sales tax (the “2022 Sales Tax”) upon the expiration of the ADA and Infrastructure Sales Tax; and

**WHEREAS**, in order to authorize the 2022 Sales Tax, it is deemed advisable to call a special question election in the City on November 3, 2020; and

**WHEREAS**, if approved, the 2022 Sales Tax will constitute a sales tax imposed for special purposes, as said term is described in K.S.A. 12-189, as amended.

**NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF INDEPENDENCE, KANSAS:**

**SECTION 1. Public Purpose; Implementation of 2022 Sales Tax.** It is hereby deemed necessary and advisable and in the best interests of the citizens of the City to authorize and impose the 2022 Sales Tax, with the revenues to be derived therefrom to be used for the purpose of financing the costs of the following and related expenditures:

- (a) for continued mill levy support;
- (b) for debt repayment of financings issued or to be issued to pay the costs of previous or future improvements including but not limited to streets, sidewalks, buildings, facilities, equipment, and required ADA;
- (c) for equipment, building and facility improvements, including but not limited to Riverside Park and Ralph Mitchell Zoo; Riverside Beach Family Aquatic Center; neighborhood parks; ballfields, and other recreational facilities; Public Safety including Police and Fire/EMS; City Hall; Library; Public Works; required related ADA improvements; and City government technology and communications infrastructure;
- (d) for street and sidewalk improvements, including but not limited to multimodal routes to schools, healthcare, recreation, and business; drainage and stormwater management; alley improvements; required related ADA improvements; public parking; traffic control; and
- (e) for economic development initiatives, including but not limited to incentives for business retention and recruitment; Memorial Hall improvements; initiatives for new recreational facilities; Senior Citizens Center; wayfinding signage; housing initiatives; airport improvements; healthcare facility expansions; industrial park improvements; beautification initiatives, and expanded community broadband access.

Collection of the 2022 Sales Tax, if approved by the electors of the City, shall commence on the expiration date of the ADA and Infrastructure Sales Tax (which is expected to be October 1, 2022), or as soon thereafter as permitted by the Act, and to terminate 10 years after its commencement. All proceeds of the 2022 Sales Tax shall be applied for the purposes set forth in this **Section 1**; provided, however, in the event that other City funds are required to be utilized for such purposes, such City funds may be reimbursed from the proceeds of the 2022 Sales Tax.

**SECTION 2. Special Question Election.** It is hereby authorized, ordered and directed that a special question election shall be and is hereby called to be held in the City on November 3, 2020, at which time there shall be submitted to the qualified electors of the City the following proposition:

Shall the following be adopted?

Shall the City of Independence, Kansas be authorized to impose a one percent (1%) City-wide retailers' sales tax (the "2022 Sales Tax"), the revenues to be derived therefrom to be used for the purpose of financing the costs of the following and related expenditures:

(a) [0. \_\_]% for continued mill levy support; (b) [0. \_\_]% for debt repayment of financings issued, including but not limited to repayment of general obligation bonds of the City issued or to be issued to pay the costs of previous or future improvements including but not limited to streets, sidewalks, buildings, facilities, equipment, and required ADA; (c) [0. \_\_]% for equipment, building and facility improvements, including but not limited to Riverside Park and Ralph Mitchell Zoo; Riverside Beach Family Aquatic Center; neighborhood parks; ballfields, and other recreational facilities; Public Safety including Police and Fire/EMS; City Hall; Library; Public Works; required related ADA improvements; and City government technology and communications infrastructure; (d) [0. \_\_]% for street and sidewalk improvements, including but not limited to multimodal routes to schools, healthcare, recreation, and business; drainage and stormwater management; alley improvements; required related ADA improvements; public parking; traffic control; and (e) [0. \_\_]% for economic development initiatives, including but not limited to incentives for business retention and recruitment; Memorial Hall improvements; initiatives for new recreational facilities; Senior Citizens Center; wayfinding signage; housing initiatives; airport improvements; healthcare facility expansions; industrial park improvements; beautification initiatives, and expanded community broadband access; with the collection of the 2022 Sales Tax to commence on the expiration of the existing 1% special Citywide retailers' sales tax approved at an election held on April 3, 2012, in the City for the purpose of financing all or a portion of the costs associated with debt repayment and mill levy support; building and facility improvements, including Riverside Park and Ralph Mitchell Zoo; improvements to streets and sidewalks; and improvements required for compliance with the requirements of the Americans with Disabilities Act of 1990 (which is expected to be October 1, 2022), and to expire ten (10) years after its commencement; all pursuant to the provisions of K.S.A. 12-187 *et seq.*, as amended?

**SECTION 3. Special Question Election Procedures.** The vote at said special question election shall be by ballot, and the proposition stated above shall be printed on the ballot, together with voting instructions as provided by law. The City Clerk shall transmit a copy of this Resolution to the Montgomery County Clerk to give notice of the special question election as provided by law by publishing a Notice of Special Question Election in substantially the form attached hereto as *Exhibit A* once each week for two (2) consecutive weeks in a newspaper of general circulation in the City, with the first publication to be not less than twenty-one (21) days prior to the date of the special question election, and the last publication shall be not more than ninety (90) days prior to the date of the special question election.

**SECTION 4. Effective Date.** This Resolution shall be effective from and after adoption by the Governing Body.

## Proposed Federal Programs

The current COVID-19 pandemic has resulted in several federal programs that have been enacted or proposed that would potentially benefit the Authority:

- American Infrastructure Bonds (AIB)
- LOCAL Infrastructure Act
- H.R. 2 Moving Forward Act
- Reinstatement of Tax-Exempt Refunding Bonds

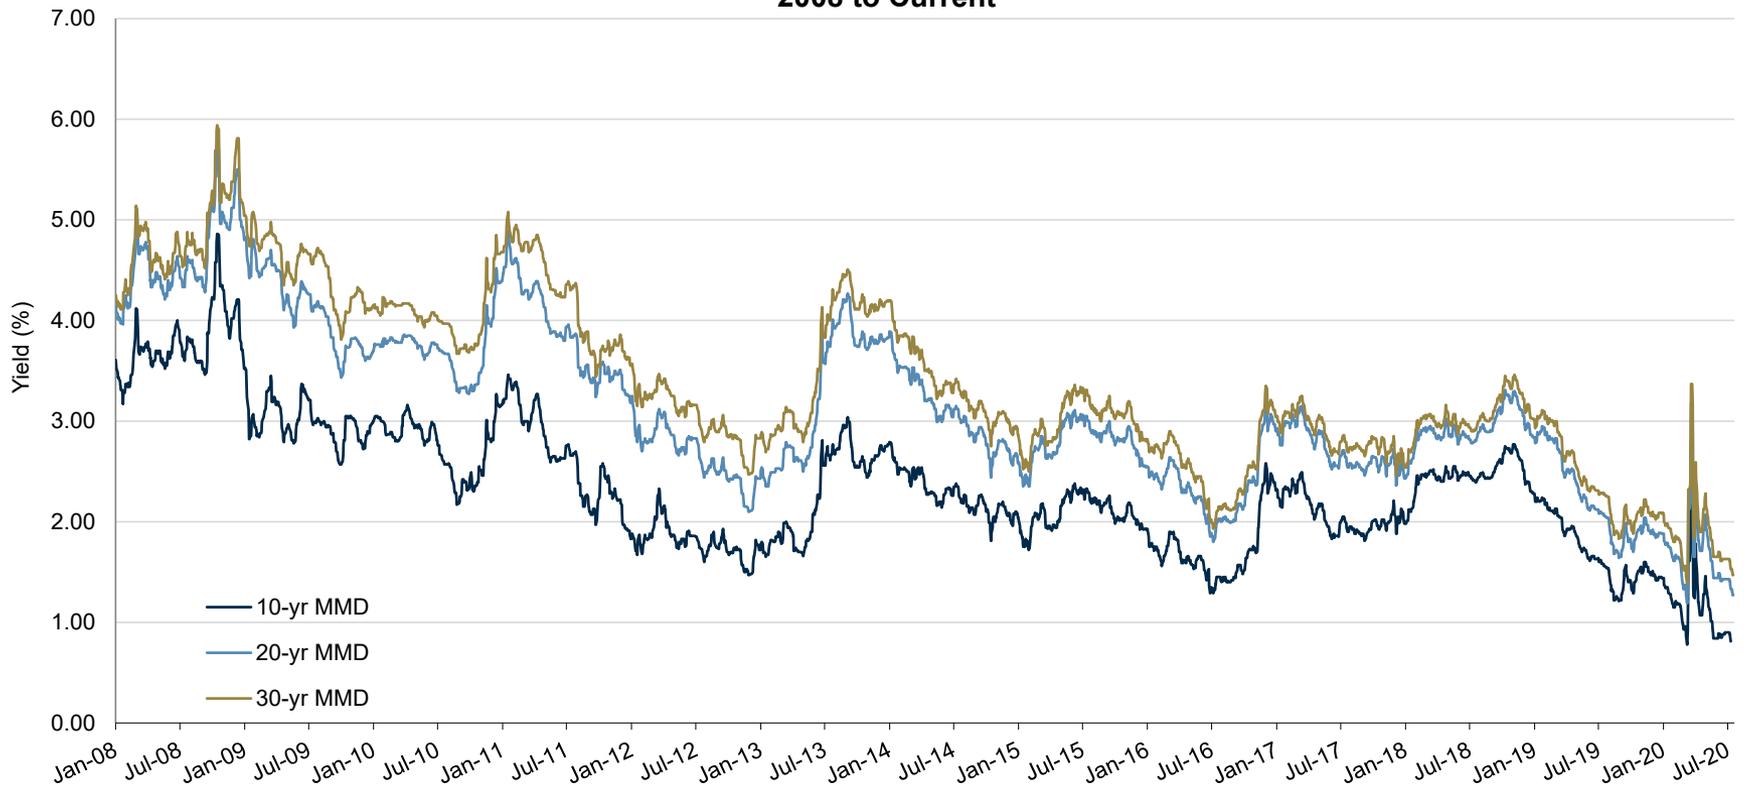

Prior to moving forward with any new bonds or refunding of outstanding bonds, we will explore any new programs that may benefit the Authority.

## Bond Market Information

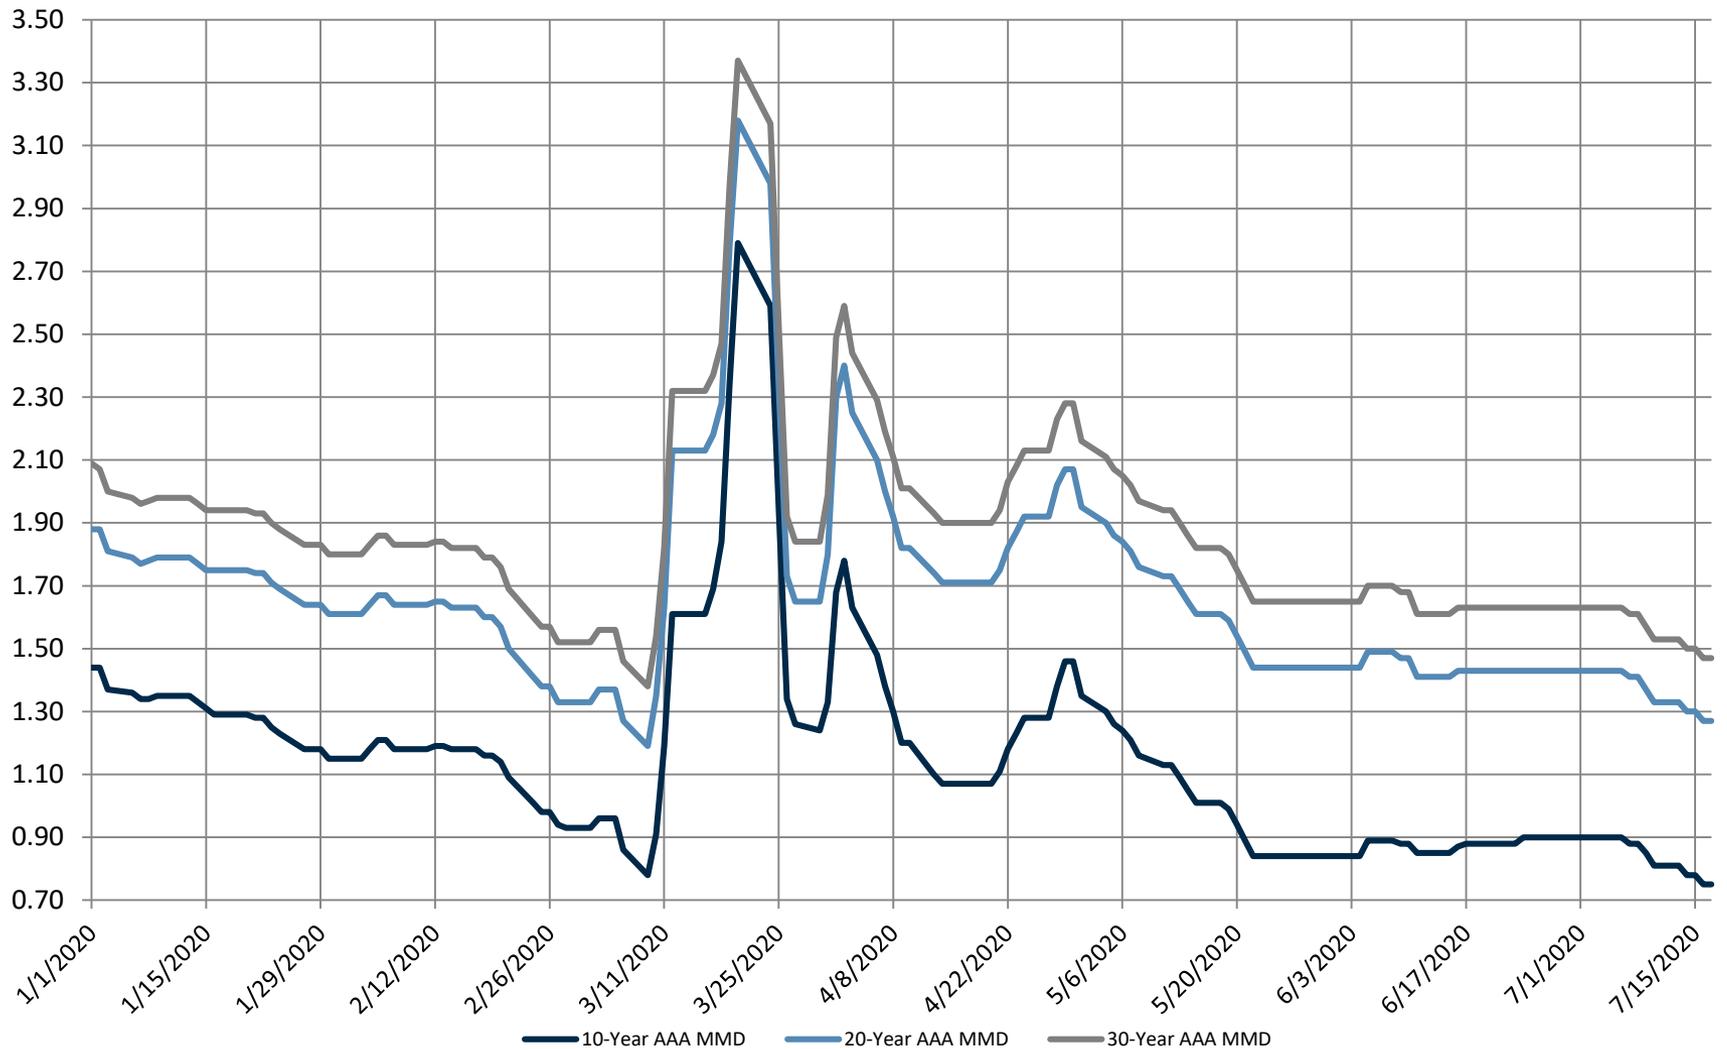

- MMD rates set new record lows after Brexit in July 2016 but rose in the wake of the 2016 Presidential election.
- In December 2016, the Federal Reserve increased the target fed funds rate for the first time in over a year. They continued to practice their strategy of gradual rate increases in 2017 by implementing three additional rate hikes.
- In July 2019, the Federal Reserve reversed course and cut the target fed funds rate for the first time in 10 years on the back of trade war fears with China and increasing global economic weakness.
- In March 2020 the municipal market hit all-time record lows at various points on the curve.

# The American Infrastructure Bonds Act of 2020

Senator Roger F. Wicker (R-MS) and Senator Michael Bennet (D-CO)

In past financial crises, Congress has used its authority to provide additional tax relief for bonds to expand investor interest in the market. The loss of revenue from the COVID-19 outbreak has created numerous budget challenges for state and local governments. Municipalities across the country will struggle to finance new and ongoing infrastructure projects while they recover from these revenue losses. Rural communities have been particularly hard hit. Issuing American Infrastructure Bonds (AIBs) could help local municipalities and counties raise much-needed capital for a wide range of infrastructure projects. AIBs would be similar to the “Build America Bonds (BABs)” that Congress created following the 2008 financial crisis, but would have important improvements.

## What are American Infrastructure Bonds?

- ... American Infrastructure Bonds (AIBs) would allow state and local governments to issue taxable bonds for *any* public purpose expenditure that is eligible to be financed with tax-exempt bonds.
- ... AIBs would be available to all state and local governments to use as they determine what is best for them.
- ... AIBs would be modeled as a “direct-pay” taxable bond.
- ... The Treasury Department would make direct payments to the issuer of the bonds at 35% after the date of enactment and down to an estimated revenue neutral rate of 28% starting in 2026.
- ... AIBs would improve upon BABs because the Treasury payments are exempt from sequestration.
- ... AIBs have the potential to attract investment in local communities from a wider range of investors, such as pension funds and foreign investors that are not typically interested in tax-exempt municipal bonds. This will be advantageous for rural communities, as well.
- ... AIBs could be used for any expenditure that is eligible to be financed with tax-exempt bonds including roads, bridges, tunnels, canals, ports, water systems, sewage treatment facilities, storm water management systems, pipelines, utility system expansions and environmental and safety upgrades, long-term natural gas supplies for municipal utility gas distribution systems and electric generation facilities, long-term supplies of electricity for municipal electric utility systems including renewable energy projects, broadband and other telecommunications systems, rail facilities, subways, and other purposes.

## The American Infrastructure Bonds Act of 2020

The American Infrastructure Bonds Act would amend Subchapter B of chapter 65 of the Tax Code to provide a credit to issuers of American Infrastructure Bonds. The Secretary of the Department of Treasury would be given the authority to make direct payments to the issuer of the bonds on each interest payment date.

# LOCAL INFRASTRUCTURE ACT

---

## **Lifting Our Communities through Advance Liquidity for Infrastructure (LOCAL Infrastructure) Act Senator Roger F. Wicker (R-MS) and Senator Debbie Stabenow (D-MI)**

The COVID-19 crisis continues to place financial pressure on the revenue streams of state and local budgets. State and local governments should have the ability to use **advance refunding** to free up immediate and flexible cash flow for projects essential to communities.

### **Advance Refunding of Tax-Exempt Bonds**

- ... State and local governments issue their debt as municipal bonds to fund education, healthcare, infrastructure, and other capital improvement projects important to the overall economic well-being of local communities.
- ... Typically, municipal bonds are federally tax-exempt.
- ... When interest rates fall, municipalities may seek to refinance their outstanding bonds at a lower rate.
- ... Advance refunding allows state and local governments the one-time option to refinance outstanding municipal bonds to more favorable borrowing rates or terms. This tool provides state and local governments with greater flexibility to generate savings.
- ... The advance refunding of bonds saved state and local governments billions of dollars over decades, subsequently saving money for local taxpayers.
- ... Since the repeal of advance refunding, there has been a significant drop in the refinancing of municipal bonds even though interest rates continue to trend downward.
- ... The elimination of advance refunding has imposed substantial financial costs on states and local governments.
- ... Reinstatement of advance refunding does not require any direct appropriation of federal dollars.

### **The LOCAL Infrastructure Act**

The Local Infrastructure Act would amend Section 149(d) of the Tax Code to reinstate advance refunding to free up much needed capital for state and local governments and assist in the long-term economic recovery following the COVID-19 crisis.

# THE MOVING FORWARD ACT

FOR THE PEOPLE

## Fact Sheet

**H.R. 2, the Moving Forward Act, is a more than \$1.5 trillion plan** to rebuild American infrastructure—not only our roads, bridges, and transit systems, but also our schools, housing, broadband access, and so much more. By investing in families, workers, and communities across the country, we can support American manufacturing and ingenuity and create millions of jobs that cannot be exported, all while putting our country on a path toward zero carbon emissions, making communities and roads safer, and addressing long-standing disparities. It's about investing in infrastructure that is **smarter, safer, and made to last.**

### Highways, Bridges, Transit, Rail, Airports, Ports/Harbors:

- Delivers better roads and bridges faster with more than \$300 billion of investment that prioritizes fixing what we already have, including tens of thousands of structurally deficient bridges.
- Invests more than \$100 billion in transit to put more zero-emission buses on the road, add new routes, and provide more reliable service, resulting in better transit options and fewer single-occupant cars clogging highways.
- Modernizes infrastructure to reduce traffic congestion and address bottlenecks, and makes roads smarter and safer for all users, including pedestrians and bicyclists.
- Invests in programs, projects, and materials that emphasize resiliency while reducing carbon pollution from the transportation sector, including \$1.4 billion in alternative fuel charging infrastructure.
- Triples funding for Amtrak to \$29 billion, allowing for upgrades and expansion of the passenger rail network, and improves rail crossing safety and addresses increasingly long trains that block crossings for 10+ minutes, which impacts local traffic and emergency response times.
- Keeps cargo moving by funding the essential dredging and upkeep of American harbors, ports, and channels.

### **Schools and Child Care:**

- Invests in schools with the *Reopen and Rebuild America's Schools Act*, which invests \$100 billion targeted at high-poverty schools with facilities that endanger the health and safety of students and educators. This investment will help students get back to school and create 1.9 million jobs to help workers get back to work.
- Leverages a 5-year, \$10 billion federal investment in addressing structural challenges and upgrading child care facilities to generate additional state and private investments in making sure that child care settings are safe, appropriate, and able to comply with current and future public health directives.

### **Local Financing & Community Development:**

- Provides financing support for state and local government investments and spurring private investment through the tax code by permanently reinstating Build America Bonds and Advance Refunding Bonds, and increasing and expanding the issuance of Private Activity Bonds.
- Promotes revitalization in economically distressed communities by making permanent and expanding the New Markets Tax Credit.
- Encourages the rehabilitation of historic buildings by temporarily increasing the Historic Tax Credit program for all projects, permanently expanding the credit for small projects, and eliminating rules that prevent access for non-profits, including public schools.
- Promotes further development in and parity for tribal communities by making long-overdue changes to tax rules related to tribal issuance of government bonds, treatment of tribal government charitable organizations, and the treatment of tribal projects in the New Markets Tax Credit program.

### **Housing:**

- Invests over \$100 billion into our nation's affordable housing infrastructure to create or preserve 1.8 million affordable homes, helping to reduce housing inequality, create jobs, and stimulate the broader economy, increase community and household resiliency in the face of natural disasters, improve hazardous living conditions, and increase the environmental sustainability of our housing stock.
- Increases federal investment in low-income housing through a robust expansion of the Low-Income Housing Tax Credit with new, targeted housing incentives for rural and tribal communities and individuals at risk of homelessness.

- Establishes a new Neighborhood Investment tax credit that would subsidize certain development costs to encourage the rehabilitation of vacant homes or construction of new homes in distressed areas. The credit requires homes to be owner-occupied and contains other limits meant to maintain affordable housing prices in these communities.

### **Broadband:**

- Delivers affordable high-speed broadband Internet access to all parts of the country by investing \$100 billion to promote competition for broadband internet infrastructure to unserved and underserved rural, suburban, and urban communities, prioritizing communities in persistent poverty and ensuring that broadband-related support is being administered in an efficient, technology-neutral, and financially sustainable manner.
- Gets kids connected to remote learning with digital equipment and affordable broadband options, connects school buses to Wi-Fi and helps schools and libraries close the “homework gap” outside school,
- Closes other gaps in broadband adoption and digital skills, and enhances payment support for low-income households and the recently unemployed.

### **Drinking Water and Wastewater:**

- Protects access to safe drinking water by investing over \$25 billion in the Drinking Water State Revolving Fund and other programs to ensure all communities have clean drinking water and to help remove dangerous contaminants like PFAS from local water systems.
- Invests \$40 billion in new wastewater infrastructure to encourage efficiency and affordability, and helps communities address stormwater needs, preventing pollution in local rivers.
- Invests in clean water and wastewater infrastructure to meet the federal government’s trust obligations to Indian Country and making responsible investments to repair severely damaged federal canals, leveraging taxpayer dollars to maximize public benefits.
- Unlocks more tax-exempt bond financing for water infrastructure projects by exempting bonds funding these projects from State allocation caps for Private Activity Bonds.

### **Clean Energy:**

- Modernizes our energy infrastructure for a clean energy future by investing more than \$70 billion to transform our electric grid to accommodate more renewable energy, expand renewable energy, strengthen existing infrastructure, help develop an electric vehicle charging network, and support energy efficiency, weatherization, and Smart Communities infrastructure.
- Reinvigorates our commitment to renewable energy and combatting the climate crisis by building on current successful tax incentives that promote the deployment of green energy technologies while providing new incentives for activities that reduce carbon pollution.
- Encourages “greening the fleet” by supporting widespread adoption of zero-emission cars, vans, and buses through tax credits for purchasing vehicles, supporting zero-emission vehicle manufacturing, and deployment of publicly accessible electric vehicle charging infrastructure including underserved communities.
- Promotes green energy and efficiency projects that adopt high-road labor practices.

### **Health Care:**

- Modernizes the nation’s health care infrastructure by investing \$30 billion to upgrade hospitals to increase capacity and strengthen care, help community health centers respond to COVID-19 and future public health emergencies, improve clinical laboratory infrastructure, support the Indian Health Service’s infrastructure, and increase capacity for community-based care.

### **U.S. Postal Service:**

- Invests \$25 billion to modernize postal infrastructure and operations, including a zero emissions postal vehicle fleet, processing equipment and other goods.

### **Environment/Public Lands:**

- Puts Americans to work strengthening our coasts through a \$3 billion grant program for shovel-ready projects to restore Great Lakes and coastal habitats and marine ecosystems, with priority given to qualifying communities of color.

- Cleans up abandoned coal mines and orphaned oil and gas wells, putting drillers, miners and engineers to work clearing the way for new infrastructure and economic redevelopment.
- Promotes new renewable energy infrastructure by incentivizing the development of wind and solar on public lands and building a workforce for offshore wind.
- Invests in modern water infrastructure to provide drought preparedness and improved water supply reliability in a changing climate.

# July 2020 Sales Tax Report

City of Independence Kansas

## Sales Tax Report for July 2020

### One Percent Sales Tax – General Fund

The attached spreadsheet and graphs provide comparisons by fiscal year of the **one (1) percent** sales tax levied for City purposes; another one percent is levied for the Special Use Sales Tax Allocation, and another one percent for Education.

NOTE: the “receipts” reported from the State of Kansas to the City for any given month are from sales generated two months prior. For example, the July receipts shown in this report were from sales in May 2020.

### **July 2020 is the seventh month in the FY2020 Sales Tax Revenue account.**

- **July** receipts totaled **\$179,594**, which is an **INCREASE of \$10,285** from July 2019, or **up 6.1%** (see Graph 2, “July 1% Sales Tax 10 Year History”).
- On a straight-line projection, sales tax budgeted for FY2020, with seven months reported, **would project total 2020 receipts at \$2,086,698 or \$62,847 over our FY2019 actual** amount of \$2,023,851.
- Also, on a straight-line projection sales tax budgeted for FY2020, with seven months reported, **would project \$151,698 over our budgeted** amount of \$1,935,000; this would be **7.8% higher** than the budget.
- After seven months, we have **collected 62.9%** of our budgeted amount.
- FY20 collections through July are **UP 3.7%** or \$43,958 **over FY19** collections through July and **UP 7.7%** or \$87,161 **over FY18** collections through July.
- The **Compensating Use** sales tax portion made up **11.9%** of the \$179,594 total (\$21,414) (see Graph 5 “2020 1% Sales Tax – Monthly/Compensating Use Sales Tax and Sales Tax.”).
