Aspen read a speech she had prepared for the board and informed them she had watched the last city commission meeting discussing the land for the new soccer complex. Aspen stated she was disappointed it was taking so long as she feels the softball fields are in bad shape and soccer should not be played on them. The board thanked Aspen for coming and assured her that they are moving forward as quickly as possible on

the project; however it will be time consuming and completed in several phases. Joe Cooley invited Aspen to speak at a Lion's Club meeting in the near future to further discuss the soccer complex.

Contract for New Soccer Complex

Brent updated the board on the last city commission meeting he attended and the fact they have approved the land for IRC to eventually construct a new soccer complex on. Brent informed the board that attorney Jeff Chubb has developed a contract between IRC and the City of Independence to move forward on the agreement. The contract basically states that IRC will be given use of the land between the skate park and the west ball fields on Park St. to use for the complex. The contract states that IRC will assume responsibility for mowing the skate park area but not maintaining any of its equipment. The contract gives approval for surveys and development to begin in two stages, first for planning and secondly for construction. Brent stated that if the Independence Recreation commissioners approve the contract, it will then be taken to the city commission meeting on December 12th for their approval. Christy Mavers stated that she is satisfied with the contract and asked if any board member had concerns or questions. Ron Goins moved to approve the soccer complex contract between IRC and the City of Independence. Joe Cooley seconded. Motion carried 5-0.

Executive Session

Christy Mavers moved to adjourn into an executive session at 11:52 a.m. for approximately fifteen minutes. The meeting re-convened at 12:05 p.m.
