Director Approval Kelly Passauer

AGENDA ITEM Consider authorizing pursuing an EDA grant for Whiskey Creek drainage improvements in the area of Sycamore and 20th Streets.

SUMMARY RECOMMENDATION Authorizing pursuing an EDA grant.

BACKGROUND City staff has been working with the Southeast Kansas Regional Planning Commission on a possible EDA grant for drainage improvements in the area of 20th and Sycamore. Part of the process is the requirement to solicit qualifications for engineering services, then once an engineering firm is selected an application can be prepared along with an official cost estimate and preliminary engineering report.

BUDGET IMPACT 20% of the total project plus any additional costs not covered by the grant.

SUGGESTED MOTION I move to authorize City staff to pursue and apply for an EDA grant for Whiskey Creek drainage improvements in the area of Sycamore and 20th Streets.
