

REQUEST FOR COMMISSION ACTION
CITY OF INDEPENDENCE
October 22, 2020

Department Park & Zoo

Director Approval Barbara Beurskens

AGENDA ITEM Consider bids received for a tractor at the Park & Zoo.

SUMMARY RECOMMENDATION City Staff recommends accepting the bid from Romans Outdoor Power.

BACKGROUND City of Independence is seeking bids for a tractor for the Park & Zoo.

BUDGET IMPACT Purchase of a tractor was approved in the 2020 Budget.

SUGGESTED MOTION I move to approve the bid for the Kubota tractor from Romans Outdoor Power in the amount of \$29,680.00.

<p>The Park and Zoo currently have a 1983 JD 1050 and a 1984 JD 650 which have exceeded their capacity to serve the needs of the park and zoo. This past year we have needed the assistance of several individuals and the Street Department to complete the tractor work. We need a tractor that will be able to brush hog our pastures, put out large round bales of hay, and numerous other jobs. After review of the bids I am recommending the Kubota MX5400DT from Romans Outdoor Power. Romans is a local dealer so parts and service will be easily accessed. Kubota has been manufacturing tractors since the 1960's. All of the tractors are comparable but the Kubota is a 4 cylinder with a total displacement of 148.6 cu in which makes power at a lower RPM which increases the life of the tractor and better fuel efficiency. They also have a better warranty.</p> <p>Other tractor information:</p> <ol style="list-style-type: none"> In 2006 Bobcat entered the compact tractor market and five years later they decided to exit the tractor business and focus on their core products. Due to the uncertainty of the company and being out of town I decided against this tractor. Bobcat's 4050 is the lowest bid but is only a 50 HP and the Bobcat 4055 was over the 5% local allowance. The Branson 5220R does not have enough history and is very new to the tractor business in this area. They are also out of town so getting parts and service would not be convenient. The Massy Ferguson and JD 5055E were higher bids.
