

**REQUEST FOR COMMISSION ACTION**  
**CITY OF INDEPENDENCE**  
**February 25, 2021**

**Department** Administration

**Director Approval** Kelly Passauer

**AGENDA ITEM** Consider adopting a resolution declaring a financial emergency relating to anticipated high utility bills due to prolonged sub-zero wind chills.

**SUMMARY RECOMMENDATION** Staff recommends approval.

**BACKGROUND** Administrative staff met with the Montgomery County Emergency Manager and watched a live video from the League of Kansas Municipalities last Friday regarding the potential for higher rates than normal for natural gas and/or electricity. The League recommended adopting a resolution declaring a financial emergency. Montgomery County passed such a declaration on February 22, 2021 and City staff is recommending the City do this as well. Passage of Emergency Declarations could become important if aid becomes available.

**SUGGESTED MOTION** I move to adopt a resolution declaring a financial emergency relating to anticipated high utility bills due to prolonged sub-zero wind chills.

**SUPPORTING DOCUMENTS** Resolution
