

# McCownGordon Construction

## PROJECT UPDATE

---

*City Hall | Independence, KS*

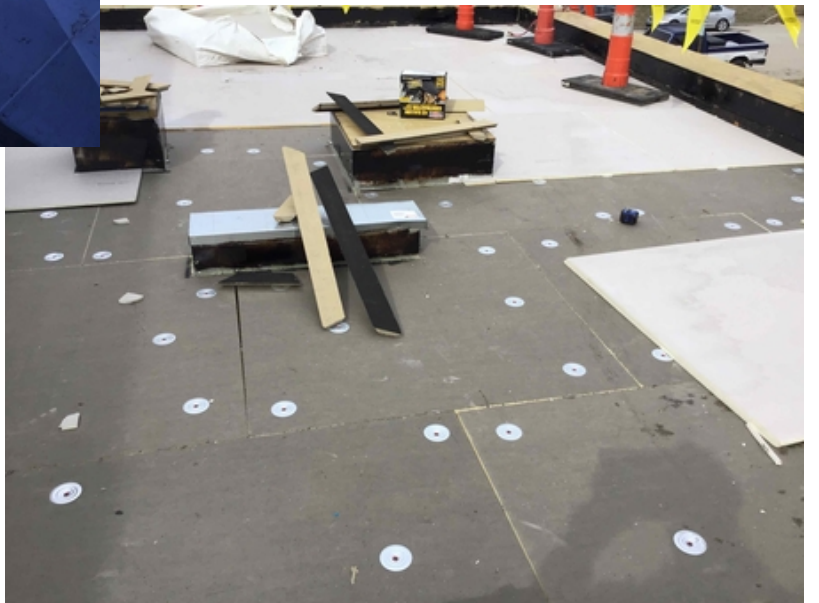

*March 3, 2023*

### SUMMARY

This week was much of the same on site with a lot of trades working in the same areas as last week.

- Gold Plumbing continued working on in wall rough-in in the basement.
- Kelley Electric continued work on in wall and soffit rough-in on the 1<sup>st</sup> floor. They also started in wall rough-in in the basement
- Myers continued working on the fire sprinkler system in the basement.
- Danny Satterfield Drywall continued hanging drywall on the 1<sup>st</sup> and 2<sup>nd</sup> floors, framed soffits on 1<sup>st</sup> floor, walls in the basement and continued mudding and taping the 2<sup>nd</sup> floor drywall.
- RetroChem continued work on repairing the historic plaster walls throughout the 1<sup>st</sup> and 2<sup>nd</sup> floors.
- McCownGordon continued working on in wall blocking on 1<sup>st</sup> floor.
- Midwest masonry set cast stone and started on brick on the storm shelter.
- Joplin Roofing started roofing the East half of the 1<sup>st</sup> floor roof.
