Please respond to the following questions: (If needed, use back of page)

1. Do you reside inside the corporate limits of the City of Independence? Yes   
 No

If no, do you reside within three miles? yes. I live 1/2 mile N of ICC on Brookside Dr.

2. What experiences have you had that you feel would assist you as a board member?

I have previously in 2017 worked in a interim position with the Planning & Zoning Commission, when I lived w/in the City Limits. We moved to the county & those seats were filled.

I am an owner of two businesses in Independence and am open minded to help promote growth and development here.

3. Why do you want to become a member of the board?

The great Lou Holtz said & I quote,

"It's never a good time to make a bad decision, however, It's always a good time to make the right decision."

Being on the board allows you to help a wonderful community to keep making great decisions.

4. Do you feel that there are any issues needing immediate attention by the board? If so, please explain. **NO.**

Overall I see a local government striving to make great decisions.
