diversity. I have helped to design and build several restoration projects and activities. I have a vast experience in organizing volunteers and leading educational events.

Why do you want to become a member of the board?

I have been participating as an advisor for the tree board since it began. I have assisted in making contact with professionals in the field. Participating in tree surveys and attending tree board events and meetings.

Do you feel that there are any issues needing immediate attention by the board? If so, please explain.

I think we need to develop and encourage our community members to be a sustainable force of volunteers to support both ornamental trees and fruit tree orchards.
