AGENDA ITEM Drive by Flu Shots at the Riverside Park Oval.

SUMMARY RECOMMENDATION Staff recommends approval.

BACKGROUND On Saturday, October 12th the First Presbyterian Church would like to sponsor free flu shots to drivers and passengers at the oval while sitting in their car. They usually have 300 doses to distribute. They start at 7:00 a.m. and end at noon. In the past this has been well attended. This is a great community service to Independence residences.

BUDGET IMPACT None

SUGGESTED MOTION I move we approve the request from Susan Kleinbeck from the First Presbyterian Church to use the Riverside Park oval on Saturday October 12, 2019 for the free drive by flu shot distributions.
