Leadership Independence, Class of 2014 First Leadership Board, 2016 -2021 Montgomery County Wellness Coalition Volunteer for Alzheimer's Association

Why do you want to become a member of the board?

To become more involved with the City of Independence, and become more familiar with the housing available in Independence for those thinking of locating here and for those already living here.

Do you feel that there are any issues needing immediate attention by the board? If so, please explain.

Not Immediate, but there is a concern with a statement made by Nancy Daniels with First Impressions that the further you go from downtown, the worse the conditions of the housing. This is only true in certain directions, and certainly not with the properties managed by the Housing Authority. Would like to see more rehabilitation programs for current housing in addition to the new builds in Independence.

Other comments:

I believe the Housing Authority does a tremendous job in Independence.
