Director Approval Terence Lybarger

AGENDA ITEM Consider authorizing Heckert Construction to repair an alley due to installation of a sanitary sewer line north of Westminster between 4th and 5th Street.

SUMMARY RECOMMENDATION Approve alley repair.

BACKGROUND This alley was originally hard surfaced. It was damaged when a sanitary sewer line was installed by the City approximately four years ago. Repairs to the alley were delayed to allow property owners time to connect to the new line. We have received several complaints from adjoining property owners that utilize this alley.

BUDGET IMPACT Estimated \$7,000.00 from the Utility Fund

SUGGESTED MOTION I move to authorize Heckert Construction to resurface an alley north of Westminster between 4th and 5th Street.
