AGENDA ITEM Consider rescheduling a Special Commission Meeting for the purpose of a site visit to the Water Treatment Plant to September 4, 2019 at 9 AM.

SUMMARY RECOMMENDATION City staff recommends approval.

BACKGROUND At your August 15, 2019 Special Commission Meeting the Commission repurposed the August 21, 2019 Special Commission meeting at 9 AM to attend the KDOT Consult Meeting rather than the previously schedule site visit to the Water Treatment Plant. City staff was directed to contact Sarah Unruh with PEC to see when she would be available to reschedule this site visit. An alternate date of September 4, 2019 at 9 AM was provided, with two of the three Commissioners confirming their availability prior to the packets going out.
