

REQUEST FOR COMMISSION ACTION
CITY OF INDEPENDENCE
September 26, 2019

Department Safety & Code Enforcement

Director Approval *David Cowan*

AGENDA ITEM Consider ADA Improvements at the VFW 113 East Myrtle Street.

SUMMARY RECOMMENDATION City Staff recommends ADA improvements at 113 East Myrtle by the VFW.

BACKGROUND The City of Independence was contacted by the VFW about ADA issues with the sidewalk and needing ADA access to their elevator. The VFW recently installed a new elevator to provide ADA accessibility to the Bingo Hall on the 2nd floor. At the commission meeting on September 12, 2019, the commission discussed ideas with the VFW and directed City staff to take those agreed-upon ideas and return with a change order cost estimate at the September 26, 2019 meeting. The project will be placing two ADA ramps at the alley and adding two ADA stalls and ramp in the parking lot to the North of the VFW. The ADA ramp by the VFW will be moved towards the edge of the street to allow room for the VFW to install a ramp to the doorway. Estimated change order cost for installing these three ADA ramps and parking stalls is \$7,721.55.

BUDGET IMPACT The budget impact for VFW curb ramps and ADA stalls and ramps in the parking lot would be \$7,721.55

SUGGESTED MOTION I move to authorize City Staff to do a change order with Graham Construction for ADA ramps and parking stalls at 113 E. Maple and the parking lot for \$7,721.55
