January 2021 Sales Tax Report

City of Independence Kansas

Office of the Finance Director

February 8, 2021

Sales Tax Report for January 2021

One Percent Sales Tax – General Fund

The attached spreadsheet and graphs provide comparisons by fiscal year of the **one (1) percent** sales tax levied for City purposes; another one percent is levied for the Special Use Sales Tax Allocation, and another one percent for Education.

NOTE: the “receipts” reported from the State of Kansas to the City for any given month are from sales generated two months prior. For example, the January receipts shown in this report were from sales in November 2020.

January 2021 is the first month in the FY2021 Sales Tax Revenue account.

- **January** receipts totaled **\$163,252**, which is a **DECREASE of \$5,781** from January 2020, or **down 3.4%** (see Graph 2, “January 1% Sales Tax 10 Year History”).
- January 2021 receipts are the **sixth highest January** receipts in the 10-year history (see Graph 2, “January 1% Sales Tax 10 Year History”).
- Annualized FY2021 sales tax collected (with one month reported) is **\$1,959,029, or \$3,899 over** our **budgeted** amount of \$1,935,000; or **1.2% higher** than the budget. This would be \$176,893 under our FY2020 **actual collections** of \$2,135,922.
- With one month reported, we have **collected 8.4%** of the FY2021 budgeted amount of \$1,935,000.
- The **Compensating Use** sales tax portion made up **13.3%** of the \$163,252 total (\$21,793) (see Graph 5 “2021 1% Sales Tax – Monthly/Compensating Use Sales Tax and Sales Tax.”).
