What experiences have you had that you feel would assist you as a board member?

I have experience with high school football, college football and youth activities with The Huddle Youth here in independence.

Why do you want to become a member of the board?

The reason why I am applying to become a member of this board is to serve the community with what's needed of me to do and bring in a young & optimistic perspective. Growing up in Miami Florida I witnessed the huge impact that a recreation board can play in the present and future of the families that enjoy recreation activities. Being part of the board will allow me to give back with time and effort. An opportunity to invest in our community.

Do you feel that there are any issues needing immediate attention by the board? If so, please explain.
