Department Administration/Public Works **Director Approval** David Cowan/John Garris

AGENDA ITEM Consider authorizing the bid for the KDOT project on West Main from 8th to 10th.

SUMMARY RECOMMENDATION Authorize approval and execution of the resolution to award the contract and commit City funds.

BACKGROUND Bids on US 160 from US 75 to 8th project were received by KDOT on July 21. The low bid was by Bryant & Bryant Construction, Inc. KDOT will fund a total of \$1,000,000 of the project, and the estimated share of funds that the City will need to send to KDOT is \$430,000, which includes spending on construction inspection.

KDOT has provided the required resolution (attached) that must be executed and returned by August 13, 2021.

SUGGESTED MOTION I move to adopt the resolution “Authority To Award Contract Commitment of City Funds” and to authorize the execution of this resolution and submission to the KDOT.
