To: City of Independence, KS
Attention: City Administrator and City Council
CC: Cody Shamblin

Regarding: Airport Manager, Mr. Cody Shamblin

On behalf of the members of the Experimental Aircraft Association (EAA) Chapter #980 of Independence, KS we wish to express our gratitude and appreciation for the hard work and professionalism exhibited by Mr. Cody Shamblin, Airport Manager of the Independence Municipal Airport.

While many people in his position would view the recent "Celebration of Flight" event held at the Independence, KS airport as a hassle and "just more work" Cody saw it as an opportunity to showcase the City of Independence and the airport.

His attention to detail, both in preparation and during the event, was exceptional. His numerous contributions included painting, cleaning, mowing, sweeping the taxiways, attending many planning meetings, coordinating with the FAA, recording a special announcement on the AWOS radio system, and many other behind-the-scenes activities.

Independence is blessed to have such a hard working, dedicated, enthusiastic team member. His efforts are greatly appreciated.

The "Celebration of Flight" flew nearly 100 young people on "Young Eagle" introductory flights in this first-time Young Eagles event in Independence. Many people from the community visited Independence Municipal Airport for the first time. Pilots from Kansas, Oklahoma, and Arkansas attended the event. This success was made possible by the support we received from Cody Shamblin.

Sincerely,

EAA Chapter #980
Independence, KS
